

April 10, 2003

ORGANIZATION: Nuclear Energy Institute

SUBJECT: SUMMARY OF MEETING WITH THE NUCLEAR ENERGY INSTITUTE (NEI) ON THE PROPOSED NEI 95-10 REVISION AND SUGGESTED CHANGES TO GENERIC AGING LESSONS LEARNED (GALL) REPORT FOR LICENSE RENEWAL

On March 27, 2003, the Nuclear Energy Institute (NEI) and other industry representatives met with the U. S. Nuclear Regulatory Commission (NRC) staff to discuss industry's proposed revision to NEI 95-10, "Industry Guidance for Implementing the Requirements of 10 CFR Part 54 - The License Renewal Rule," and suggested changes to the generic aging lessons learned (GALL) report (NUREG-1801) and the standard review plan for review of license renewal (SRP-LR) application for nuclear power plants (NUREG-1800). NEI stated that the proposed NEI 95-10 revision (Rev. 4) incorporates lessons learned from license renewal demonstrations project and experience gained from license renewal applications for the past two years. NEI also stated that Rev. 4 will incorporate all the changes considered by the staff and NEI in NUREG-1800 and NUREG-1801, Interim Staff Guidance (ISG), Class of 2003 standardized license renewal application format, and 10 CFR 54.37(b).

The NEI provided an overview of NEI 95-10, Rev. 4 and industry's suggested changes to NUREG-1800 and NUREG-1801. NEI used a matrix to identify NEI 95-10 sections that need to be updated based on changes in the source documents (i.e., NUREG-1800 and NUREG-1801, ISG, the standard format, and 10 CFR 54.37(b)). NEI's presentation also included criteria, categories, and discussion of proposed changes to NUREG-1800 and NUREG-1801. NEI indicated they will submit NEI 95-10, Rev. 4, to the staff for review and endorsement by July 2003.

Alan Nelson of NEI informed the staff that he will no longer be working on the license renewal issues due to NEI's recent reorganization. Alexander Marion of NEI informed the staff that Fred Emerson will replace Alan Nelson as their license renewal contact.

Enclosed are the meeting agenda (Enclosure 1), the list of meeting attendees (Enclosure 2), and the NEI's presentation slides which included an overview of NEI 95-10, Rev. 4 (Enclosure 3), and the revised NEI 95-10 Table of Contents which included the aforementioned matrix (Enclosure 4).
